ABOUT US

Dambian International Trading Company Ltd (DITC), founded in 2024 and headquartered in Istanbul, Turkey, is a dynamic global trading firm specializing in the supply of petroleum products, petrochemicals, minerals, and high-quality food products. Our focus is on sourcing premium goods from trusted suppliers and delivering them to markets worldwide, including Africa, Asia, Europe, and the Middle East. Our diverse portfolio includes dates (such as Zahidi, Piarom, and Mazafati), dried fruits, nuts, coffee, tea, and minerals like Himalayan salt and blue salt. We also specialize in industrial products such as LPG, petrochemicals, and polymers, ensuring solutions that cater to various industrial, agricultural, and commercial needs. DITC prides itself on fostering international trade relations based on trust, quality, and customer satisfaction.
